

# CAMP GESHER

## Looking Back on Our Summer

This summer marked our 1st Alumni *Family Weekend*. On the weekend of August 5-7, a number of our Gesher alum and their 'chanichim-to-be' came up and spent the weekend Israeli folk-dancing, waterskiing and swimming, singing around camp fires, telling stories and reconnecting - with Gesher and with each other.

While we were busy and very fortunate to have head of the Habonim Dror

Camping Association, Chaver Steve Weinberg spend some time discussing our role in Gesher's future and how we see ourselves contributing to its success, our alumni's children spent some time in a drum circle and doing arts and crafts.

We also found time to brainstorm a few ideas for our upcoming 50th anniversary alumni event.

This November 21st, we we will have our first get-together to get the ball rolling ("...Habonim will show you how it's done!").

If you are interested in getting involved in organizing or being part of Gesher's 50th or being part of this summer's Alumni *family weekend*, please get in touch with our alumni coordinator, Liat Papular at [gesheralum@gmail.com](mailto:gesheralum@gmail.com) Le'hitraot!
